

Project Street Legal - Terminal Island Raceway

Project Street Legal - Terminal Island Raceway is the movement to help stop illegal street racing in the Los Angeles area. We, the Southern California motorsports community, are working towards establishing a race track on Terminal Island to help achieve our goals.

Our goals are to:

Help stop illegal street racing in the Los Angeles area.

Promote unity and safety through wheels and motors.

Establish a positive and trustworthy relationship between the public and law enforcement.

Promote and support public and privately funded public safety related programs.

Promote youth programs with an emphasis on education, teamwork, and safety.

Promote and participate in charitable campaigns supporting public safety, youth and disabled child programs.

Provide communities and audiences with positive role models.

We need your help! To learn more, including how you can help, visit the project page online.
